612+ hours worked that weekend. Automating sign-up decreased time and talent e-mails from 413 to 39

Pluses:

Overlapping concessions time slots helped w/coverage – eliminated times without volunteers

Informing volunteers that there were still open slots helped fill open spots

Grilling & Concessions at Mackeben was a success

Minuses:

Many volunteers only signed up for 2 hours when HUSC requires 4 hours

Volunteers showed up at wrong locations

Need to find more ways for volunteers with special needs to participate
